

- Please dispose the garbage from 6:00 to 8:00 on the morning of the designated collection day.
- If the collection date is a holiday, we will only collect only burnable garbage affected areas.  
※ In case of collection is canceled, we will inform you by Public Service Announcement etc. beforehand.
- Regarding extraordinary collection of year-end and new year, we will inform you by Public Service Announcement etc.
- Please cooperate to reduce garbage and recycle resources.
- Please use garbage bags that are colorless and transparent with a longest side length of less than 80cm.

- Buanglah sampah dari jam 6:00 hingga jam 8:00 pagi di hari pengumpulan sampah yang telah ditentukan.
- Jika tanggal pengumpulan sampah bertepatan dengan hari libur, kami hanya akan melakukan pengambilan sampah yang bisa dibakar hanya di area-area yang sesuai.  
※ Jika pengumpulan dibatalkan, kami akan menginformasikannya melalui Pengumuman Layanan Publik, dll. di sebelumnya.
- Mengenai pengumpulan luar biasa pada saat akhir tahun dan tahun baru, kami akan menginformasikannya melalui Pengumuman Layanan Publik, dll.
- Mohon kerjasamanya untuk mengurangi sumber daya sampah dan daur ulang.
- Harap gunakan kantong sampah yang tidak berwarna dan transparan dengan panjang sisi terpanjangnya kurang dari 80cm.
